Comment: Marie Kotsonis, Maritime Picture Specialist and Gregg Dietrich, Maritime Models, Ephemera and Scientific Instrument Specialist, Christie's Americas:

"Once again, Christie's reinforced its position as the leading international auctioneers in the maritime field. A new world auction record was set for Montague Dawson, which surpassed our previous record set in February 2006, and a fantastic \$132,000 was realized for the Lipton Cup, an exceptional yacht racing trophy dating from 1907. We look forward to our continued success, both at our London sales, and at our next sale here in New York, scheduled for early 2007."
