COMMENT: "The auction, highlighted by the Gordon House Collection of Sidney Nolan paintings, was a very solid and pleasing success. Nolan works of all periods were vigorously sought after, with buyers keen to be associated with the Gordon House Collection. An encouraging aspect of the auction was the enthusiasm that came from all sectors of the marketplace. Many traditional and modern pictures exceeded expectations which reinforced the ongoing strength and confidence in the Australian market for quality works of art." said Jon Dwyer, Director of Paintings, Christie's Australia.
