**Comment: Sophie Churcher, Specialist in charge of the sale said:**

“Following extensive regional press interest today's saleroom was packed with private buyers and busy phone lines bidding for a piece of travel history. Destinations as far a field as South Africa, India and the U.S. were particularly popular as well as the ever desirable seaside resorts from the U.K. We look forward to our next poster sale of ski posters due to take place in January 2009.”
