Brooke Lampley, Specialist in charge of the sale:

“The sale of *Impressionist and Modern Art* realized \$4 million, a result which established a record total for a mid-season Impressionist and Modern Art sale at Christie's New York and surpassed the previous record by \$800,000. Determined bidding from across the globe contributed to strong results throughout the sale and particularly to unprecedented prices for strikingly Modern works by Charmion von Wiegand, Hilla Rebay and Alexander Archipenko. These new records eclipse each artist's previous auction record by a margin of more than 50%.”
