COMMENT: Sarah Hodgson, Associate Director, Head of Popular Entertainment:

"We are delighted with the results of today's sale which takes this year's total for Pop Memorabilia sales to a record £1.4 million. Prices for Who memorabilia soared as collectors bid fiercely in the room and on the phones setting a number of new world auction record prices. Keith Moon's drum kit sold for £139,650 achieving the highest price ever seen at Christie's in a Pop Memorabilia sale in London. We look forward to our Film and Entertainment sale on 14 December."
