COMMENT: Ingrid Collingridge, Associate Director, Head of Asian Department:

"We are delighted with the results of today's Asian sale at Christie's South Kensington – a packed saleroom as well as many international telephone bidders ensured there was particularly intense bidding for the 103-lot English Private Collection which doubled our expectations and was 99% sold. We had an enormous amount of pre-sale interest in this auction, with our online Christie's catalogue receiving a staggering 25,000 hits."
