€39,225,664			

COMMENT: “\$49m changed hands at Christie's in two days making it the largest jewelry sale week in America in the past 15 years. The market for diamonds is stronger than ever and signed contemporary creations are reaching new levels. 'This is a new trend in the world of jewelry and collectors are now showing great confidence in acquiring jewels as works of art,' said Rahul Kadakia, Head of Jewelry for Christie's Americas.
