Matthieu Humery, Head of the Photographs Department commented: "Today's sale witnessed solid results for master photographers Irving Penn, Diane Arbus, Garry Winogrand and Edward Weston. Among the highlights, a rare *Self Portrait* by Claude Cahun set a world record for the artist and a daguerreotype quarter plate by 19th century masters Southworth and Hawes achieved \$110,500. We look forward to our November sale in London."
