Comment: Jeremy Goldsmith, Head of Sale:

“Juxtaposing cutting-edge and upcoming artists with some of the Post-War greats, today's sale welcomed over 375 bidders, 77 of whom registered to bid via Christie's LIVE. We are delighted that nearly £500,000 was raised from works which were donated by artists including Tracey Emin and Marc Quinn for the South London Gallery's building project. The market continues to demand good quality works that are fresh to the market and estimated competitively and we are particularly pleased by the strong results achieved for the Chinese contemporary artists section which collectively totalled £1,401,200.”
