Stuart Alexander, Senior Specialist, Christie's New York Photographs, says: "The Robert Frank market continues to climb, and we were particularly pleased to set a new world auction record for the artist. The excellent results of the sale, which far exceeded our pre-sale high estimate, reflect the depth of interest when prints of this quality and caliber are offered to the international marketplace. The success of the sale also pays testament to the legacy of photographers such as Frank and Walker Evans who have left an indelible mark on generations of artists."
