**COMMENT:** Richard Brierley, Head of North American Wine Sales:  
“Another strong Fall 2005 result for Christie’s wine sales in North America. The \$2 million dollar total far surpassed our pre-sale high estimate, revealing the continuing strength and depth of the fine wine market in New York. Top prices were notably paid for fine Burgundy, along with large-format bottles from Bordeaux. We look forward to our next New York sale on November 12.”
