“This splendid result is a fitting tribute for a collection formed with passion and style by the late the Hon. Angela Lascelles. A member of the Royal Family on account of her marriage to the Queen's cousin the Hon. Gerald Lascelles, many items with Royal Provenance were actively sought by an enthusiastic audience both in the rooms, on the telephone and on the internet via Christie's Live. We are especially pleased with the results for the decoupage screen, the collection of stamps and Russian silver and enamel bell push which reaffirm Christie's reputation as the auctioneer of choice for private collections and country house sales.” **Said Andrew McVinish, Auctioneer and Head of Sale.**
