Tudor Davies, Head of Prints and Multiples, comments: "We are delighted with the results of our two-day sale which witnessed very strong prices throughout the Modern, Post-War, and Contemporary sessions. Over 20 record prices were achieved for prints by Chagall, Miró, Johns, and Warhol. Our three print sales in 2009 have now each achieved close to or above 90% sell-through rates. We look forward to the sale of Jasper Johns prints from the Collection of John Cage and Merce Cunningham sold to benefit the Merce Cunningham Trust, which will be among the highlights of Christie's Post-War and Contemporary Day Sale on November 11th."
