NEW YORK MAGNIFICENT JEWELS | 6 DECEMBER 2022

FANCY VIVID PINK DIAMOND
13.15 CARATS

Estimate: US \$25,000,000-35,000,000

NEW YORK – Christie's is proud to present one of the finest fancy vivid pink emerald-cut diamonds ever to be offered at auction which will be part of the [Magnificent Jewels](#) sale on 6 December, at Rockefeller Center during Luxury Week. The **Fancy Vivid Pink Diamond Ring** (estimate: US \$25,000,000-35,000,000) is set with an impressive 13.15 carat VVS1 clarity, potentially Internally Flawless diamond. The appearance on the market of a pink diamond of this caliber is a phenomenon in the world of rare diamonds. In the fancy vivid pink range, a diamond of more than six carats is rarely encountered and for context, less than 10 percent of pink diamonds weigh more than just one fifth of a carat.

With its extraordinary weight of 13.15 carats, this **Fancy Vivid Pink Diamond Ring** ranks as one of the most important colored diamonds ever to appear on the market. The Winston Pink Legacy achieved \$50,375,000, and at the time set a world-record price per carat for a pink diamond sold at auction.

Rahul Kadakia, International Head of Christie's Jewellery: *"Following the success of The Fortune Pink, which achieved almost \$30 million last week in Geneva, we are proud to have been approached by a private collector to offer this incredible diamond at auction in December. This season has seen outstanding results for fancy-colored diamonds and this particular fancy vivid pink is of the highest caliber. With impressive saturation, step-cut facets and a clarity grade of potentially Internally Flawless, this 13.15 carat fancy vivid pink is magnificently rare."*

This **Fancy Vivid Pink Diamond Ring** will be on view; New York from 14 November to 15 November; Hong Kong from 25 November to 28 November and presented in New York from 2 December to 5 December.
