**Sharon Kim, Head of Impressionist and Modern Works on Paper and Day sales, comments:** "Today's sales were highlighted by exceptional results for works on paper, sculpture and paintings, led by George Grosz's *Der neue Mensch*, and Giorgio de Chirico's *L'amore del mondo*, both of which soared over their pre-sale estimates. Bidding was strong across all categories today, with European and American buyers participating in equal numbers. Overall, fresh-to-market works from celebrated private and estate collections yielded the top prices in both sales, led by the Estate of Pierre-Noël Matisse, the Collection of Mr. and Mrs. Montgomery Fisher, and the Estate of Marjorie C. Barnett, M.D."
