COMMENT: Mary Peck, Vice President and Specialist for the Post-War and Contemporary Art department: "We are thrilled with the results of today's Morning Session! Three works fetched prices above \$1 million and 55% of the lots sold over their estimates. The room was packed and the bidding was fast and furious. Collectors really responded to the high quality works not only from the Collection of Lee V. Eastman, but to the other works from private collections that were fresh, classic icons of the Post-War era. New records were set for Jack Tworokov, Josef Albers, Joan Brown, David Park, John Baeder and Mark Tobey."
