Jean-Marc Lunel, *Head of the Sale:*

"With \$70 million of jewellery changing hands in two days at the Geneva auctions, the star lot of the week at Christie's was an exceptional D Flawless diamond of 62.30 cts purchased by Aleks Paul of Essex Global Trading for \$ 8,051,000. This shows the clear resurgence of the jewellery market and we look forward to exciting sales in Hong Kong, New York and London in early December. "
