COMMENT: "A \$62 million series of jewellery sales has not been seen anywhere in the world for years which reinforces Christie's absolute dominance of the jewellery auction market. During this week's sale 'The Gulf Pearl Parure', by Harry Winston, realised \$4.1 m and the special Van Cleef & Arpels auction totalled \$7.6 m. We now look forward to our auctions in Milan, Hong Kong, London and Paris during the next month." **said Eric Valdieu, Head of the Geneva Jewellery Department.**
