COMMENT: "Amazing and exciting," said legendary designer Bob Mackie following the successful sale of designs from his personal archives this afternoon put on by Christie's in conjunction with Julien's Auctions. "This sale showed tremendous strength across all categories – not just the celebrity pieces," said Cathy Elkies, Christie's specialist and auctioneer for the sale. "While we expected items associated with Cher, Carol Burnett and Elton John to perform well, we were thrilled to see Bob's undeniably glamorous couture creations take off – with many pieces beating pre-sale high estimates by wide margins," Elkies continued. "The success of this sale substantiates the collectibility of fashion and Bob Mackie," added Darren Julien, President of Julien's Auctions.
