Simeon Lipman, Head of Pop Culture comments, "We are pleased with the strong prices achieved today for the truly historic pieces of Rock memorabilia - the Vox Continental Portable Organ used by John Lennon (lot 208) and the tapes and handwritten boxes from Jimi Hendrix (lot 284). Collectors responded enthusiastically to the new material introduced in the sale, demonstrating the widening appeal of the Pop Culture market. Among the fresh to market material, Punk realized strong results, as well as the Hip Hop flyers (lot 339), cover art for Mad Season's album (lot 341), and the KAWS '4 ft. companion' Designer Toy (lot 141)."
