COMMENT: **Tim Bourne**, International Co-Head of Christie's Watch Department, commented: "An amazing sale with excitement and highly competitive bidding both on the telephone and in a packed saleroom, demonstrating an extremely strong and buoyant watch market. The top lot achieved the highest auction price for any watch sold by Christie's in Asia. The collection of a Royal House was 100% sold and exceeded estimates by many times. These results further confirm Christie's as the market leader in international watch auctions."
