Comment: Jeffrey Lassaline, Head of Silver Department, Christie's South Kensington:

"We are delighted at the results of today's sale, the highest ever total for a South Kensington silver sale. The sale saw strong competitive bidding from both trade and private clients for unusual silver fresh to the market. We are particularly pleased to have realised almost £95,000 for the collection of "Belgian and Other silver From the New Hall Community" and look forward to our sale Portrait Miniature, Objects of Vertu, Icons, Russian and Other Silver on 7 December."
