**Simeon Lipman, Head of Entertainment Memorabilia in New York** said, "We are delighted with the results of today's sale which showed the continued strength of the memorabilia market and set a world auction record for a Hank Williams manuscript. The collection of vintage rock t-shirts saw enthusiastic bidding from private collectors and an American institution, and the top lot of that selection was a rare Rolling Stones, Goat's Head Soup sweater — one of a dozen made — which realized \$4,750."
