Comment: "The sale returned very successful results for 'high end' paintings with new records well above existing benchmarks for Norman Lindsay, Garry Shead and Margaret Olley. It also demonstrated continuing demand in the second session for quality art at lower price points. Contemporary artists also maintained strong buyer interest. The results for the two Norman Lindsay paintings "Spring's Innocence", purchased by NGV Australia, and "The Seventies" were wonderful highlights that serve to bring Lindsay further into the mainstream of Australian art." said David Cook, Associate Director, Christie's Australia.
