Comment: Nic McElhatton, Director, Head of Works of Art & Philip Duckworth, Director, Head of Furniture, Christie's South Kensington: "It was a bear market at CSK today with this sale realizing the highest ever sold total of £730,000 for an objects section in an English & Continental Furniture auction. We were particularly delighted with the German, Swiss and Austrian objects, which included the 'Black Forest' bear section. Some formidable results were achieved including £25,850 for an antler and terracotta mounted chandelier and an incredible £21,150 for a bear and cub hall stand. The market for interesting pieces of Continental furniture was also strong with competitive bidding throughout."
