"This was the biggest Entertainment Sale we have had in London since sales began in the 1980s. We are particularly thrilled with the price achieved for Audrey Hepburn's dress, and the amount it has raised for a charity. We are equally thrilled with the archive of James Bond weaponry which exceeded expectations realising £217,572" said **Sarah Hodgson, Head of Sale.**

"There are tears in my eyes. I am absolutely dumbfounded to believe that a piece of cloth which belonged to such a magical actress will now enable me to buy bricks and cement to put the most destitute children in the world into schools." said **Monsieur Dominic Lapierre, City of Joy Aid**
