Eric Widing, Head of American Paintings at Christie's, comments: "We are cheered today by the overall success of our sale, which included four lots that exceeded \$1 million. We set four new auction records for important American painters: Henry Farny, Grant Wood, Andrew Wyeth, and John Lewis Krimmel. Bidders clearly responded to our efforts to set attractive estimates and sensible reserves. This brings to a close a very successful year for American Paintings at Christies, in which we achieved our 3rd highest year ever with \$105.1 million in sales."
