### Comment: Rupert Banner, Director and Head of Christie's International Motor Car Department:

“We were delighted with the results of this evening's sale. Dominated by fresh private consignments from long-term ownerships, most cars were heavily contested in the room producing a number of exceptional results, and a very solid 81% sale rate by lot. We look forward to 2006 with our annual Rétromobile auction on February 11<sup>th</sup>, where entries include the ex-Olry Roederer 1904 C.G.V. 6.3 litre Tourer, a 1933 Cadillac V16 Sports Roadster and first Ecurie Ecosse 1952 Jaguar C-Type Sports Racing Car”.
