"Another pleasing result to end the first full calendar year of Christie's Sunday Sales with top prices being achieved for Furniture, Carpets, Old Master Pictures and Silver in particular. Lot 54, an Antique Mahal Carpet sold for a fantastic £10,500 against an estimate of £800-1200 with strong bidding in the room and on the telephones. The sale was well attended by trade and private buyers alike - a testament to the accessibility and variety offered by Sunday Collection Sales. We are looking forward to building on the successes of this year with Sunday Collections in 2007." said **Andrew McVinish, Head of Sale**
