COMMENT: *Richard Brierley, Head of North American Wine Sales:*

*“This last sale of the season brings to a close the first full year of the NYWinesChristie’s association and with a combined result for sales in New York and Los Angeles at \$15,595,087, it places NYWinesChristie’s in the prime spot of the fine wine auction scene in North America. The two-day sale, containing three sale sessions, did not contradict any previous success formula: again, the most sought after vintages of great Bordeaux and Burgundy wines placed themselves solidly in the top-10. Bidders in the room could and did enjoy the thrill of picking up seasonal bargains. We look forward to a lively new year of wine sales in North America and raise a glass to good health and great wines!”*
