Sam Hines, Head of Watches, New York, comments: Today's sale achieved a healthy 74% in a well-attended sale room and particularly active bidding on Christie's LIVE, with buyers participating from the Americas, Europe and Asia. The broad appeal of collector's watches was confirmed by the international attendance, with 8 private collectors from 6 countries buying the top 10 watches. This sale brings Christie's worldwide total for the watches category in 2008 to \$70.1 million, the second highest annual total ever, and confirms our worldwide market leadership in the field of watch auctions."
