“With a total of SFr. 19,032,388, nearly twice its pre-sale low estimate, the Geneva *Important Watches* Sale achieved the highest result for any watch auction offered in 2009 worldwide, selling 97% by value and 94% by lot.

In a thrilling atmosphere, almost 900 bidders from 5 continents competed enthusiastically in the room, as well as on Christie's Live and by telephone. The extraordinary performance of this Christie's sale confirms the undisputed leadership of the company in Geneva and in the international Watch market.

A Connoisseur's Vision, a collection of ten Patek Philippe watches was 100% sold, totaling SFr.5,835,600 and nearly doubling its pre-sale low-estimate. Nine world record prices have been achieved for numerous models manufactured by Rolex and Patek Philippe.
