Carolyn Pastel, specialist in charge of the sale, says: "An immensely successful sale this evening proved the continuing legacy of Robin Roberts and his unique taste and vision. Bidders from across the world, and with many from beyond our established 20th Century Decorative Art & Design client base, joined us to compete at a well-crafted and carefully-curated single owner sale. The \$4.4 million total more than doubled our highest pre-sale expectations, and we now look forward to a further selection of works from the Robin Roberts Estate, to be offered at our inaugural Christie's Interiors New York sale on January 15/16 2008."
