Jeni Sandberg, Specialist in charge of the sale, says: "With a sale total far exceeding our highest pre-sale expectations, the Tiffany market continues to expand and grow, both here in the United States and internationally. We were particularly pleased with the group consigned from the Strong National Museum of Play, which performed admirably and was 100% sold. The star lot of the sale, the Fire Screen, was a magnificent example of Tiffany style, and we were delighted with the exceptional price it realized."
