Comment: Peter Brown, Head of Department, Christie's London and Harriet Drummond, International Head of British Art on Paper:

"Solid bidding was witnessed throughout the sale, particularly for works on paper such as the magnificent Clausen pastel and large Thorburn which set a new world auction record for the artist. Having been the subject of extensive admiration during pre-sale viewing, we are pleased that *The Sea Maiden* by Herbert James Draper, offered by The Royal Institution of Cornwall, Truro, realised £937,250. This sale saw lively participation from Europe, Russia, the United States and Australia."
