David Elswood, Christie's International Director of Wine Department for Europe and Asia, commented: "We are delighted to work with SK Networks to present the finest and rarest wines from their collection. With a 100% sell-through rate, numerous records being broken and the majority of the lots selling over their high estimates, the sale saw enthusiastic

bidding from buyers from Asia and around the world. At HK\$48.13 million/ US\$6.2 million, this is close to two times over the total estimate and the highest sale total for Christie's wine sales in Hong Kong. The results once again show that demand for the best wines in pristine condition continues to grow unabated. We look forward to welcoming buyers to our next Hong Kong wine sale on November 26th and 27th."
