**Comment: Amelia Elborne, Specialist, Christie's London and Christine Ryall, Director, Christie's Ireland:**

"This excellent result is a tribute to Dr Ryan's eclectic taste and enthusiasm for both Irish and European works of art. In spite of the current economic situation in Ireland, the depth of demand for Irish works by both international and Irish buyers remains strong. We are particularly pleased with the result for the Hugh Douglas Hamilton which attracted fierce competition in the room, on the telephone and on Christie's Live™. We look forward to the sale of The Duarte Pinto Coelho Collection at Christie's South Kensington on 20 and 21 July."
