David Kleiweg de Zwaan, Head of the Works on Paper Sale, and **Stefany Sekara Morris**, Head of the Day Sale, commented: "In an echo of our record-setting result achieved last evening for Kandinsky, our top lot of the Day sales of Impressionist & Modern Art was "Rapallo, Boote", a rare early seascape by the artist. The richly-textured work was chased by multiple bidders, and ultimately sold to an American bidder for \$1 million, well over its pre-sale estimate. Our morning session of Works on Paper continues to draw in a strong contingent of devoted collectors, who gathered to compete for works by Klee, Picasso, Magritte and Chagall, driving strong results for each."
