Comment: Edward Monagle, Director and Head of Sale: "A packed saleroom of golf enthusiasts turned their attention away from the golf course and onto the rostrum for the sale of this historic collection. We saw solid results throughout the sale as we welcomed both established collectors of historic golf memorabilia, as well as many new enthusiasts, all of whom were attracted by the importance of this collection which had been assembled over many years by Jaime Ortiz-Patino. Following a global tour of highlights, we saw a lot of international bidding with clients engaging from Hong Kong, Canada, America, and across Europe. The internet was particularly lively with over a quarter of the sale bought or underbid by clients using Christie's LIVE."
