**Jennifer Pittman, Head of Sale, Silver, remarked:** "We are very pleased with the results achieved by the Spring Important Silver sale. The strong sell through rates, 86% by lot and 91% by value, are demonstrative of the continuous growth of important silver within the international marketplace. The sale saw competitive bidding across categories, but we were particularly pleased with the level of demand for 18<sup>th</sup> and 19<sup>th</sup> century European silver."
