Jason Carey, Director, Head of Impressionist and Modern Day Sale:

"Following the success of the 100% sold 'Picasso Ceramics' sale at South Kensington on Tuesday, this sale was led by a new record price for a ceramic by Pablo Picasso at auction and also saw new records set for Gustave Loiseau (lot 349) and César Domela (lot 361), highlighting the buoyancy of demand across the breadth of the category. The auction continued to attract new clients and also notable bidding from across Asia in addition to that from our more traditional European and American markets."
