Elena Ratcheva, Specialist, Head of Sale, Modern British & Irish Art, Christie's South Kensington: *"We are pleased with the strong results achieved in the sale of 'Modern British & Irish Art' which saw international bidding, with a notable online presence with over 30% of works being sold or underbid via Christie's LIVE. There was particularly competitive bidding for sculpture and for post-war works. 'Counter Rhythms & Levels' by Gillian Wise Ciobotaru set a new world record price for a single work by the artist at auction. We now look forward to the '20th Century British & Irish Art Evening Sale' on 20 November 2013 at Christie's King Street."*
