Virgilio Garza, Head of Latin American Art, remarked: "We are pleased to conclude the Day Session of our fall Latin American Art sale with the continued momentum of the evening session, achieving excellent prices by artists including Nahum B. Zenil, Alexandre Arrechea, Francisco Mejía-Guinand and Daniel Senise. In the same vein as last night's session, the success of these lots was demonstrative of the significant interest that exists internationally for works by Latin American artists who are fresh to the auction market."
