Keith Penton, Head of London Jewellery Department, Christie's: "The London sale of 'Important Jewels' demonstrated the continued appetite for the best antique and signed jewels. A magnificent mid-19th century diamond tiara/necklace realised £638,500, becoming the top lot of the sale. The traditional Cartier section once again saw competitive bidding and was 100% sold by lot. We look forward to the sale of 'Bijoux' at Christie's Paris on 4 December 2013."
