**Joy McCall, Director, 20th Century Decorative Arts, South Kensington:** *“The sale contributed to the highest ever annual total for specialist Lalique sales in Christie’s South Kensington. The prices realised were strong in every category and the top lot demonstrated that coloured glass vases remain highly sought after. There was particularly competitive bidding for pairs of light-fittings, which included the Lausanne plafonniers that sold for £32,500. The successful results were achieved by an enthusiastic saleroom, busy telephone lines and active internet participation.”*
