Clementine Kerr, Specialist, Head of Day Sale:

"This sale highlighted the particular demand in the current market for works by Dutch and Flemish masters. The best pictures from each category fetched strong prices throughout, with the English, Italian, Dutch and Flemish schools all represented in the top ten. Following the world record price set for a work by van Cleve in the Old Master & British Paintings Evening Sale, the appetite for his paintings continued in this sale, with a village kermesse securing the top price of the auction. We now look forward to the Old Master & British Drawings & Watercolours sale at South Kensington on 5 December."
