Charlotte Young, Specialist, Christie's London: "We are very pleased with the results of both collections in *The Art of Design* sale, which both exceeded their high estimate. The results demonstrate the appeal of a distinct but unified aesthetic and the continuing demand for good quality furnishings and works of art. Online presence was particularly strong, with 35% of the sale was sold or underbid by clients from Australia, Singapore, Russia and the Virgin Islands. The top lot *Portrait of Mrs. Moody* by George Romney, attracted competitive bidding both in the room and on the phones and finally settled well above the top estimate at £100,900. We now look forward to *Ronald Phillips Ltd – Making Room* at South Kensington on 2 July 2014."
