**Michael Bass, Head of Department, Chinese Works of Art, New York**, commented: *"The Chinese works of art sales were led by Rivers of Color: Chinese Cloisonné Enamels from Private American Collections, which was 94% sold by lot and included the top selling Chinese work of art in New York Asia Week, the 15<sup>th</sup> – early 16<sup>th</sup> century deep bowl that realized US\$2,629,000. We saw enthusiastic and energetic bidding in the Chinese Ceramics and Works of Art sale across every category - jade, archaic bronzes, furniture, Buddhist gilt bronzes and Ming and Qing porcelain - with the top lots selling to private Asian collectors from Hong Kong, China and Taiwan."*
