Deepanjana Klein, International Head of South Asian Modern + Contemporary Art, commented: "Works from the Collection of Shumita and Arani Bose saw great works selling to major collectors and institutions, including Francis Newton Souza's monumental masterpiece *The Butcher*, which achieved the second highest price for the artist at auction. The sale of South Asian Modern + Contemporary Art demonstrated international interest, with clients bidding aggressively for works across all mediums. The enthusiasm and energy in the room, on the phone, and via Christie's LIVE™ affirmed this strong and buoyant market."
