HK\$110,000 – 170,000 / US\$14,000 – 22,000

Hong Kong – On 12 July, Christie's will host its first global live auction of the year of [Finest and Rarest Wines and Spirits](#). Leading the sale is an extensive range of Bordeaux First Growths and their equivalents on the right bank, and the most sought after producers in Burgundy such as Domaine de la Romanée-Conti, Domaine Leroy and Domaine Armand Rousseau. An expanded offering of Scottish and Japanese single-malt whiskies from world-renowned distilleries will also be featured. In addition, this sale marks the inaugural offering of premium sake from the revered *Juyondai*. In total, the auction will present over 660 lots to wine connoisseurs around the world.

Michelle Chan, Head of Wine, Christie's Asia Pacific, commented: "Variety is the theme for this sale with wines spanning over 185 years, from a bottle of Madeira 1830 to Bordeaux 2015 and the latest released sake. There is certainly something for everyone. The core of the sale will be a selection of the most coveted Burgundy and Bordeaux wines, which will be further complimented by an array of highly desirable Scottish and Japanese Single-Malt Whiskies. We are excited to introduce a new dimension to our sale this season by offering sake enthusiasts a curated selection of *Juyondai*. After witnessing strong demand from our recent Wine and Spirits online sale, we expect this momentum to extend to our live sale and look forward to welcoming global collectors in July."

Michelle's Tips for Collectors This Season:

- Not to be missed is the enticing selection of Burgundy from top producers include Domaine de la Romanée-Conti, Domaine Leroy, Armand Rousseau etc
- Bordeaux from the best vintages over the last 3 decades remain a stable and popular choice, given the consistency in quality and great ageing potential
- The attractive large formats in this sale, such as both DRC Romanée-Conti 1990 and La Tâche 1995 in jeroboam, and Mouton 2000 in imperial
- Scottish and Japanese whiskies are enjoying an upswing in popularity and greater global attention
